

“ I can't wait to use this lantern to connect with young people who come to visit Hida! Every time meeting young people makes me very happy to think about their bright future. ”

—— 大關屋・上ヶ平千代子 Chiyoko Kamigahira

- Incorporate more **community features** that **connect travelers together** on a virtual space.
- **Enable** future travelers to **get more information** about local hosts from each other, **without exposing elderly** to any **additional technology**.
